

ENDEAVOR ACADEMY  
SAC / PASS MEETING SCHEDULE

2017 – 2018

The School Accountability Committee (SAC) serves as an advisory panel to the Principal to promote the overall effectiveness of our educational program. Some of the topics covered include feedback on school policies, school long-range planning, the school's Unified Improvement Plan and budget planning.

Partnership for Academically Successful Students (PASS) is comprised of parents, teachers, administrators and community members across Cherry School District. Committee members work together to promote the success of all students. The goal is to engage in meaningful and effective partnerships with our African American and Latino families by strengthening relationships between the district, school and parent communities. Additionally, the committee works together to identify community resources that can be used to promote the academic success of students of color, while learning to make community partnerships and parent/teacher relationships intentional elements of district/school transformation efforts.

We encourage and welcome all interested parents/guardians in the Endeavor Academy community to attend our SAC / PASS meetings. All SAC / PASS meetings will be held in our Community Room (159) from **6:00 pm – 7:30 pm**, on the following dates:
